Matt Flood, Assistant City Manager
City of San Joaquin
21900 Colorado Avenue
San Joaquin, CA 93660

Dear Matt Flood:

RE: City of San Joaquin's 6th Cycle (2023-2031) Revised Housing Element

Thank you for submitting the City of San Joaquin's (City) revised draft housing element update received for review on March 11, 2024. Pursuant to Government Code section 65585, HCD is reporting the results of its review.

The revised draft element meets the statutory requirements described in HCD's February 2, 2024 review. The housing element will substantially comply with State Housing Element Law (Gov. Code, § 65580 et seq) when it is adopted, submitted to, and approved by HCD, in accordance with Government Code section 65585.

Public participation in the development, adoption, and implementation of the housing element is essential to effective housing planning. Throughout the housing element process, the City must continue to engage the community, including organizations that represent lower-income and special needs households, by making information regularly available while considering and incorporating comments where appropriate. Please be aware, any revisions to the element must be posted on the local government's website and to email a link to all individuals and organizations that have previously requested notices relating to the local government's housing element at least seven days before submitting to HCD.

For your information, pursuant to Government Code section 65583.3, the City must submit an electronic sites inventory with its adopted housing element. The City must utilize standards, forms, and definitions adopted by HCD. Please see HCD's housing element webpage at <https://www.hcd.ca.gov/planning-and-community-development/housing-elements> for a copy of the form and instructions. The City can reach out to HCD at sitesinventory@hcd.ca.gov for technical assistance.

Several federal, state, and regional funding programs consider housing element compliance as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant, the Affordable Housing and Sustainable

Communities programs, and HCD's Permanent Local Housing Allocation consider housing element compliance and/or annual reporting requirements pursuant to Government Code section 65400. With a compliant housing element, the City will meet housing element requirements for these and other funding sources.

For your information, some general plan element updates are triggered by housing element adoption. HCD reminds the City to consider timing provisions and welcomes the opportunity to provide assistance. For information, please see the Technical Advisories issued by the Governor's Office of Planning and Research at: <https://www.opr.ca.gov/planning/general-plan/guidelines.html>.

HCD appreciates the hard work and dedication of the City's housing element team in preparation of the housing element and looks forward to receiving the City's adopted housing element. If you have any questions or need additional technical assistance, please contact Melissa Vasquez, of our staff, at Melissa.Vasquez@hcd.ca.gov.

Sincerely,
